- Efficient and professional application of in-depth knowledge with the Adobe product range
- Preparation for the certification as a «Publisher Professional: Multimedia» by VSD, the professional association for digital media production

This training course is offered in partnership with the Verband der Schweizer Druckindustrie (VSD).

Methodology & didactics

- Informative, exemplary and practice-oriented teaching sequence
- Use of various Adobe applications, photo studio etc.
- 30 days (approx. 210 lessons) – Lessons take place on Friday from 1 – 7 pm and Saturday from 9 am – 5 pm
- The training also requires a certain amount of time outside of class. This depends on previous knowledge, but is usually around 5 hours per week
- **Note:** Module 1 – Photography and Video is partly held externally, in the [photo studio Lensart in Gebenstorf](#). You will receive all information at the start of the course

Target audience

The course is aimed at people working in the graphic arts sector as well as career changers with relevant experience who wish to deepen their knowledge of modern publishing topics and obtain the certification as a «Professional Media Designer». On our [free information evenings](#) in Zurich, Bern or Basel you will receive a detailed overview and individual advice.

Requirements

Joy in creative work, confident use of the Adobe product range (InDesign, Photoshop and Illustrator) according to the following courses as well as practical experience in the creation of print publications (e.g. simple documents such as business cards, advertisements or flyers)

- [Adobe InDesign CC – Basic \(«INDEM1»\)](#)
- [Adobe Illustrator CC – Basic \(«ILLUM1»\)](#)
- [Adobe Photoshop CC – Basic \(«PHOTM1»\)](#)

Certification

With the degree «Publisher Professional – Profile «Multimedia» awarded by the Digicomp Academy AG, you confirm your practical experience and qualification in the above-mentioned subject areas to your [Digicomp Academy](#). [Digicomp Academy](#) | [digicomp.ch](#)

employer and your customers.

Certification examination

You will also receive the Publisher Professional: Multimedia certificate from VSD, the professional association for digital media production. The projects developed in the course can be submitted as practical work for the certification. In addition, there is a theoretical and practical examination by the publishingNETWORK as well as an **additional examination fee of CHF 650**. Further information can be found on the [VSD website](#).

Condition for certification

Attendance 80%

Repetition

If you repeat the course, you will be booked directly into the next course. The repetition costs CHF 450.

Additional information

«The training gave me the last kick to step into the graphic industry» – [Read the interview with training course graduate Marius Furrer](#) (in German)

Info about the room equipment

Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with an Apple computer in Zurich, Bern and Basel. Please let us know in advance by sending an e-mail to info@digicomp.ch. You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Adobe CC Software

The Adobe Creative Cloud Software will be fully available in the classrooms during the training. However, it is not possible to use the software via Digicomp licenses from home during the training.

Publisher Professional Multimedia brochure
