- Using Affinity Photo in practice

Methodology & didactics

Informative, exemplary and practice-oriented teaching sequence, tutorials as support and inspiration: https://affinity.serif.com/de/learn/

Target audience

This basic course is designed for all those who want to build their competence in the field of Affinity Photo with the help of publishing experts. Both (cross-)beginners, marketing managers and start-ups, as well as future agency employees, photographers and social media influencers are welcome.

Additional information

Information about the room equipment
Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with an Apple computer in Zurich, Bern and Basel. Please let us know in advance by sending an e-mail to info@digicomp.ch. You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Affinity Software
The Affinity Software will be fully available in the classrooms during the course. However, it is not possible to use the software via Digicomp licenses from home during the course.

Further courses

- Affinity Photo – Advanced («AFFPH2»)
