

Dynamics 365 Customer Insights (Journeys) – Flexible Training («MB220V»)

Learn to configure and manage advanced settings and core features within Dynamics 365 for Marketing. Core features include leads, segments, lists, marketing forms, marketing pages, marketing emails, customer journeys, events, and analytics.

Duration: 4 days

Price: 3'400.–

Course documents: Official Microsoft Courseware and Microsoft Learn

Vendor code: MB-220

Content

This course will review the marketing application configuration needed to drive business growth. It will also dive into lead management, marketing forms and pages, segmentation, and email marketing messages. All these pieces are tied together through interactive customer journey design, including event and survey configuration.

- Manage marketing content, templates and integrations
- Create and manage leads
- Design and create marketing forms and pages
- Create and manage segments
- Set up and launch customer journeys
- Create and manage events
- Distribute and analyze surveys

Methodology & didactics

Digicomp Flexible Learning Approach:

- **Training modality:** As soon as you book the training, the individual preparation with Microsoft Learn starts. During a period of 4 weeks, 6–8 half-day (3h each) virtual live sessions with our Azure MCT experts will take place. The sessions are already planned and can be easily combined with the daily work routine. Between the sessions there is enough time to process the learned knowledge.
- **Detailed Session Plan:** Click «**Timetable**» at the bottom of the page where you select your desired date.

Target audience

This course is designed for IT or marketing professionals who want to learn how to leverage Dynamics 365 for Marketing for businesses.
