

Web Developer Associate («WEBDA»)

Get the basic tools for your web development start in this advanced training course.

Duration: 9 days

Price: 5'300.–

Course documents: Digicomp Courseware

Vendor code: HT4, IC3, ISC, ISA

Content

This training kicks off with a **1h onboarding** and consists of five modules on HTML, CSS3, JavaScript and Bootstrap as well as an exam workshop. Afterwards you can prove your newly acquired know-how with the Digicomp certification **Web Developer Associate**. You can arrange the module dates according to your wishes for dates during the week or part-time on evenings and every second Saturday.

The training consists of the following courses:

- Course: HTML5 Einführung («HT5»)
- Course: Introduction to CSS3 («IC3»)
- Course: Introduction to JavaScript («ISC»)
- Course: Advanced in JavaScript («ISA»)
- Course: Introduction to Bootstrap 5 («BOOTST»)
- Examination workshop: Web Developer Associate
