The course introduces the various disciplines of digital marketing in ten modules of 3.5 hours each. We use the English syllabus of the Digital Marketing Institute to optimally prepare you for the three-hour multiple-choice exam to become a Certified Digital Marketing Professional. At the same time, we use Swiss examples, exercises, and case studies so that you can immediately apply what you have learned in your professional practice.

Target audience

The Certified Digital Marketing Professional course is the ideal training for all those who:

- Want to update their classical marketing knowledge
- Are starting out or transferring into a career in digital marketing
- Are working towards a leadership position in digital marketing
- Want to get their business or company ahead
- Are working freelance and want to win their customers' trust

Certification

Exam registration

The exam costs are included in the course price. Digicomp will register you for DMI membership. You can then schedule your online exam.

Exam format

The exam consists of a 3-hour online, closed-book test with 200 multiple-choice questions. You must score 60% or higher to pass. The exam must be completed within a maximum of 24 weeks from the beginning of the course (including retakes).

Retaking the exam

The exam can be retaken a maximum of two times. Each retake costs an additional EUR 60.

Certification

After passing the exam, you will receive an internationally recognized certificate from the Digital Marketing Institute as a «Certified Digital Marketing Professional».
