- Understanding how to make LinkedIn work for your business
- Understanding how LinkedIn ads work
- Learning strategies for paid advertising
- Defining measurable goals and the actions to achieve them
- AI tips and tools for greater efficiency and impact

Methodology & didactics

The course is designed to be interactive to ensure effective knowledge transfer and practical application. In addition to theoretical concepts, there will be numerous hands-on exercises to give participants the opportunity to directly apply what they have learned. There is a strong emphasis on discussion, sharing of experiences and collaborative problem solving to create an interactive learning environment.

Target audience

This course is aimed at marketing and sales professionals, B2B companies, executives and self-employed professionals with a lead strategy.

Requirements

You have at least one to two years of LinkedIn marketing experience. In addition, experience in marketing in general and digital marketing in particular is required. You need access to a LinkedIn business account (advertising, marketing). Optional: Access to LinkedIn Recruiter and/or LinkedIn Sales Navigator.

This course builds on the knowledge gained in the following LinkedIn Basic course:

- [LinkedIn Marketing for Beginners \(«XINLIN»\)](#)

Additional information

Please bring your own laptop with you.

You can use it to store what you have seen and learned directly in your environment and use it immediately for your daily work in the company. If you do not have a laptop, we can provide you with a computer. After registering for the course, please contact info@digicomp.ch.
