- Lots of practical tips and best practices for your daily life

Key Learnings

- Mastering the tools in Animate
- Mastering the animation possibilities in Animate
- Control and management of timelines
- Reusable effects and asynchronous animations
- Interactivity with JavaScript
- Addressing and controlling elements
- Nested animations
- Responsive solutions (in and beyond Adobe Animate CC)
- Optimization

Methodology & didactics

Informative, exemplary and practice-oriented teaching sequence, hands-on and imitation exercises

Target audience

This advanced course is aimed at web designers, graphic/print designers, polygraph marketers, journalists, infographics and motion designers with profound animation knowledge who want to deepen their knowledge and act successfully as professionals in the field.

Requirements

You have good PC user skills (PC or Mac). Knowledge of Animate or participation in the following course is recommended:

- [Adobe Animate CC – Basic \(«ADOANI»\)](#)

Info about the room equipment

Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with an Apple computer in Zurich and Bern. Please let us know in advance by sending an e-mail to info@digicomp.ch. You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Adobe CC Software

The Adobe Creative Cloud Software will be fully available in the classrooms during the course. However, it is not possible to use the software via Digicomp licenses from home during the course.

Further courses

- [HTML5 Banner from A to Z \(«ADOAN3»\)](#)
