You have good PC user skills (PC or Mac). Photoshop skills or participation in the following course are recommended:

- Adobe Photoshop CC – Basic («PHOTM1»)

Additional information

Info about the room equipment
Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with an Apple computer in Zurich, Bern and Basel. Please let us know in advance by sending an e-mail to info@digicomp.ch. You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Adobe CC Software
The Adobe Creative Cloud Software will be fully available in the classrooms during the course. However, it is not possible to use the software via Digicomp licenses from home during the course.

Any questions?

We are happy to advise you on +41 44 447 21 21 or info@digicomp.ch. You can find detailed information about dates on www.digicomp.ch/courses-media-communication/publishing/adobe/photoshop/course-adobe-photoshop-cc-advanced
