This course is aimed at photographers who want to process digital raw files and are looking for simple output options. The program is an ideal preparation for image editing in Photoshop.

Additional information

Info about the room equipment

Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with

Digicomp
T +41 44 447 21 21 | info@digicomp.ch | digicomp.ch

an Apple computer in Zurich and Bern. Please let us know in advance by sending an e-mail to info@digicomp.ch. You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Adobe CC Software

The Adobe Creative Cloud Software will be fully available in the classrooms during the course. However, it is not possible to use the software via Digicomp licenses from home during the course.

Any questions?

We are happy to advise you on +41 44 447 21 21 or info@digicomp.ch. You can find detailed information about dates on www.digicomp.ch/courses-media-communication/publishing/adobe/photoshop/course-adobe-photoshop-lightroom-classic-cc
