Additional information

Information about the room equipment

Our courses take place on Windows or Apple devices. On request, we will be happy to provide you with an Apple computer in Zurich, Bern und Basel. Please let us know in advance by sending an e-mail to info@digicomp.ch.

You can also bring your own laptop.

For virtual participation, we recommend the use of an additional monitor (not just a laptop) so that you can fully follow and participate in the lesson.

Affinity Software

The Affinity Software will be fully available in the classrooms during the course. However, it is not possible to use the software via Digicomp licenses from home during the course.

Desktop or mac version

Please let us know before the course if you need a desktop or Mac license. We will be happy to provide the correct license for your course. info@digicomp.ch
