    - Management approach for sustainability
    - Digital and data management concept

The course content/learning objectives are based on the official PeopleCert syllabus.

Key Learnings

- In-depth understanding of the PRINCE2® method
- Advanced ability to apply PRINCE2® in a realistic context
- Knowledge of how to adapt PRINCE2® to different project environments
- Ability to analyze, evaluate and decide whether an approach is appropriate and effective in accordance with PRINCE2
- Beginning to apply PRINCE2® in your own projects
- Know how to use the official PRINCE2® handbook

Methodology & didactics

The training is interactive and action-oriented and consists of a mix of impulse phases and exercises so that you are optimally prepared for the exam.

Accompanied by learning objective checks and exercises, the core elements of the PRINCE2® method are repeated. With the help of exercises – based on a scenario – the practices, processes and principles are deepened and interlinked.
A comprehensive "Learner Workbook" accompanies this process.

Exam preparation is carried out individually and in groups using sample exams.

Target audience

Anyone who works in a PRINCE2® environment and needs an in-depth understanding and has already passed the PRINCE2® Foundation certification: Project managers, team leaders, managers and leaders of change projects, program or project management office managers and employees, self-employed and freelancers who want to prove their project management skills.

Requirements

In order to take the PRINCE2® Practitioner exam at iPeopleCert, one of the following requirements must be met:

- PRINCE2® 6th Edition (Foundation or Practitioner)
- PRINCE2® 7th Edition Foundation
- Project Management Professional (PMP)®
- Certified Associate in Project Management (CAPM)
- IPMA Level A® (Certified Projects Director)
- IPMA Level B® (Certified Senior Project Manager)
- IPMA Level C® (Certified Project Manager)
- IPMA Level D® (Certified Project Management Associate)

Predecessor certifications of PRINCE2® 6th Edition, i.e. PRINCE2® 5th Edition and earlier, are not recognized.
No examination can be held without proof of one of the above-mentioned valid certifications.

We recommend attending the training course beforehand:

- PRINCE2® Project Management Foundation, Edition 7 («PRF»)

Certification

Please note: The Practitioner exam can **only** be taken online. You can schedule the date yourself and thus have enough time for your individual exam preparation.

You can book the exam in English or German. The course materials and official literature are available in both English and German. In general, we recommend that you take the exam in the language of the official literature. When you register for the exam, you can choose the language of the exam and the language of the eBook.

You will receive a voucher for an online exam by email from PeopleCert a few days before the start of the course. The exam voucher must be redeemed directly with PeopleCert, where you can register for an available exam date. The online exam will be proctored by a PeopleCert invigilator, which requires a device with a microphone and camera. The ExamShield™ online exam software must be installed once by the participants in advance.

For more information about the exam, please visit the PeopleCert website here.

Format: Multiple-choice exam questions, number of questions: 70, pass rate: 60% (42 points out of 60), duration: 150 minutes

Approved document: The official PRINCE2® 7 manual. When used as an eBook, a second device, such as a tablet, is permitted.

«Take2» option:

This option allows you to retake the exam at a lower price if you do not pass. The retake exam takes place **online**. If required, you can book this option independently in your PeopleCert candidate profile before booking the exam. You have up to 6 months from the date of the first exam to prepare and take the retake exam.

The certificate is valid for 3 years.

Additional information

Please note: From 1.2.2022, when purchasing a PRINCE2® Foundation exam voucher, the PRINCE2® manual will automatically be provided digitally by PeopleCert. Therefore, it will no longer be included when booking the PRINCE2® Practitioner. For a transitional period, there will therefore be participants who do not have the current Edition 7 manual because they have previously obtained the PRINCE2® Foundation Certificate Edition 6 or another PM certification. Please contact our customer support so that we can arrange the book for you at an additional cost.

PRINCE2® is a registered trade mark of AXELOS Limited, used under permission of AXELOS Limited. All rights reserved.
