

## Microsoft-.NET Training course («INFMNE»)

Learn in our .NET trainings how to develop in the Microsoft environment.

**Duration:** 2 hours

**Price:** 0.–

### Content

On our information evening you will learn in detail how the courses are structured and how they are conducted.

The following courses will be presented:

- Trainings course: [Microsoft Certified Solutions Associate \(MCSA\): Web Applications \(«MCSAWA»\)](#)
- Trainings course: [Microsoft Certified Solutions Associate \(MCSA\): Universal Windows Platform \(«MCSAUW»\)](#)
- Trainings course: [Microsoft Certified Solutions Developer \(MCSD\): App Builder \(«MCSDAB»\)](#)

### Program

5.45 pm to 6 pm: Reception

Meet other interested individuals and your specialists at a welcome drink.

6 pm to 7 pm: Welcome and presentation per subject area

Your specialist will show you the path, stages and goals of your desired training.

- Learning Content
- Duration
- Intermediate tests
- Learning effort
- Methodology
- Objective
- Certification options and opportunities

7 pm to 8 pm: Assessment and Consulting

Depending on your subject, you need to complete an online assessment, then discuss the result with your specialist and put together a plan for achieving your goals.

from 8 pm: Apéro

Take the opportunity to compare your results and your own roadmap with those of other interested individuals and discuss your goals. This gives you a 360-degree view of your personal education path, which leads you to your career goal.
